Per G.S. Singhvi, CJ

Letter dated 16.3.2007 sent by Anuj Kolli and 24 other students of 1st MBBS and their parents with the complaint that large number of questions of the examination held by NTR University of Health Sciences in September, 2006 were out of syllabus and, on that account, the career of the students has been adversely affected was treated as a taken up petition.

By a separate judgment passed today, the Court has allowed Writ Appeal No.402 of 2007 and batch and reversed order dated 1.5.2007 passed by the learned Single Judge in Writ Petition No.8658 of 2007 and batch and upheld the decision of the Executive Council of the University to cancel revaluation of the answer scripts. The Division Bench has further held that no irregularity was committed in the assessment made by the original examiners.

In view of the above, this taken up petition is dismissed.
